

# Western Upper Peninsula Health Department

## **Environmental Health Sanitarian**

The Western Upper Peninsula Health Department (WUPHD) is in search of a full-time (37.5 hours/week) Sanitarian. This position serves our five-county region from a base in Hancock, Michigan.

The Environmental Health Sanitarian provides consultation, inspection, and enforcement services for a broad range of environmental health programs.

Qualifications include a minimum of a 4-year Bachelor of Science degree with a major in environmental health, environmental engineering, or a closely related field. NEHA REHS or Michigan RS is preferred, or must be eligible to apply for RS credentialing and acquire it within two years. Preferably, you have knowledge of and experience in FDA food protection regulations, sewage system design, soil science, and well construction.

WUPHD offers a comprehensive benefit package including health, vision, dental, and life insurance, retirement plans, vacation, sick, personal days and paid holidays. Salary range: \$22.08 – \$29.17/hour (non-registered), \$24.17 – \$31.93/hour (RS). This position is in the AFSCME collective bargaining unit.
